Mr. Raghavan, local representative of 'The Hindu' and the Free Press of India requests that a copy of the Gazette may be despatched to him a few hours earlier than its issue officially. But Mr. Raghavan is not being supplied with a copy of the Gazette dated. The exchange copy of the Gazette is being sent to the Managing Editor of the Hindu at Madras. Mr. Raghavan apparently want a copy of the Gazette in addition to the copy sent to the editor. This is not correct. There is no reason why a copy of the Gazette should be supplied to the Editor of the paper, and another to its local representative Mr. Raghavan may arrange with the Editor, so that the exchange copies of the Gazette may be sent to him instead

Petition dated 18th February 1928 from D.S.Raghava Representative the Hindu and The Free Press of India, Bangalore. to the Private Secretary to Dewan of Mysore.

As representative of the 'HIndu' and 'Free Press of India' for the whole State I request that for prompt discharge of my duties certain facilities might kindly be granted to me. They are, a railway pass over the Mysore Railway for a period specified to enable me to go round to the districts on necessary occasions and the despatch to me of a copy of the weekly Mysore Gazette some few hours earlier than its issue officially.

I am aware that these requests are not exactly within the present practice or law but if the spirit of the convention of giving the necessary facilities to the press is to prevail, as it has always been with the Mysore Government, the necessity of for granting these two requests will become clear, especially in the case of one in my position. The fact that one is a representative of an All India News Service like the Free Press of India creates in itself a ground to go upon for granting the favour asked for and a necessity for the entire state. Of course you know already that Free Press work is always by telegram and never by post meaning thereby the duty of the representative to be prompt and to be able to travel without difficulty by the earliest train to any place that develops a news value from time to time.

I would not have written this rather long explanation, only I felt sure that were a proper representation made with sufficient explanation of the position thereof there would not be any difficulty on your part to appreciate my needs. Permit me to close with offering hereby a guarantee of good faith that the privileges would never be abused.

With apologies for troubling you,
